### HOSPITAL BEGUN

FIRST UNIT ON GLENDALE SANITARIUM GROUNDS IS STARTED

Construction of the first unit of the new hospital for the Glendale Sanitarium began Monday and will probably be finished by the first of December. This unit will occupy the northwest corner of the Sanitarium block, this section having been cleared of small cottages which were moved across the street on other Sanitarium property. The building will be V-shaped, with a north frontage of 116 feet, and the extreme depth will be 139 feet. It will be one story in height. The front section, 116 feet by approximately 39 feet will be occupied by two operating rooms, major and minor, delivery room, nursery, sterilizing room and diet kitchen, with all the necessary adjuncts of each. The two wings, each 38 feet wide and extending back approximately 100 feet, will be occupied by patients' rooms, besides bath rooms and toilets. The long court between these wings, 40 feet in width, will be beautified with shrubs and flowers.

The doctors' dressing room will be fitted up with lockers and other accessories. In the operating rooms will be found the most modern equipment obtainable. All rooms being outside rooms, those for the patients will have plenty of sunshine.

An automatic heating system will maintain an even temperature in the nursery day and night. Continuous screen porches will afford out-of-door privileges and fresh air for every guest, the four-foot doors allowing ample passageway for wheel chairs and beds. Eight-foot halls, sky-lighted, further add to the idea of spaciousness.

Each of the patients' rooms, which will be steam heated, will be provided with hot and cold water, lavatory, and toilet; also modern signal system and telephone plug. The interior finish will be ivory enamel.

There will be four street entrances for the hospital, the ambulance entrance being at the northeast corner.

The ladies' dormitory, which has been under way for several weeks, is now being plastered and will be ready for occupancy in about six weeks. The furnishing of this building will constitute quite a large item of expense, some \$6000 or more, one-half of which has been subscribed by friends of the institution who were interested in the nurses' home project. Recently the Sanitarium workers called a meeting at which an organization of teams was effected with their respective captains, for the purpose of a friendly rivalry in raising funds for the furnishings of the dormitory. A large board displayed on the grounds will record the achievements of each team from time to time. A lively interest is being shown by the different teams.

### CHANGE FOR MR. AND MRS. DOUGALL

Friends of Mr. and Mrs. K. M. Dougall, who were residents of this city on Arden avenue for about 8 years, and who went from here to Pasadena, will be interested to know that they are now transferring their home to San Francisco, where Mr. Dougall's boyhood was spent. He is somewhat run down in health and thinks a change to the more bracing climate will be beneficial. He and Mrs. Dougall and little daughter Bettie are spending the day in Glendale as guests of their relatives, Mr. and Mrs. J. R. Lockwood, and will leave the last of the week for the north.

### GUESTS FROM EAST

HANSENS ENTERTAINING HIS PARENTS FROM AMSTERDAM, NEW YORK

David Hansen and wife and that new baby are at last cosily settled in their new 7-room home at 127 West Chestnut street, and to celebrate the event ordered the Evening News for six months. They now have as guests David's parents, Wm. L. Hansen and wife of Amsterdam, N. Y. They will spend the fall and winter here and then will be ready to go back to the old home, sell their property and locate in Glendale, their son confidently expects. The Hansens are direct descendants of Nicholas Hansen, one of the companions and counselors of Peter Stuyvesant, governor of New Amsterdam, as the "beginnings" of New York City was then called.

### SOCIAL IN TENT

RECEPTION IN GOSPEL PAVILION FOR OLD AND NEW S. D. A. MEMBERS

A church reception or social was held in the Gospel pavilion last night for the benefit of both old and new members of the Seventh-day Adventist church. The church officers headed by Evangelist C. S. Prout and wife and the local elders took their places at the tent entrance and everyone was introduced to them in turn, each one taking his place at the end of the line until all had been presented. There were about 400 present, both members and friends of the church. After greetings and exchange of pleasantries all were seated and an extemporaneous program was given. All joined in singing, "We're Marching to Zion," and after a brief prayer by J. D. Baker, who, with his wife is soon to sail for Africa, Elder I. A. Ford spoke of the need of Christian sociability and the pleasure of friend meeting friend. C. S. Prout followed with remarks of like character, saying that in the gospel of Christ there is no caste, but all should meet on equality, citing the example of Christ who met and dined with all classes, blessing all alike. Mr. Prout closed his remarks with a reading. Prof. Clemen Harner next sang a beautiful sacred solo, "I Know a Name—'Tis Jesus" in his faultless, sincere manner. Mrs. Clemen Harner also delighted the gathering with a well-rendered solo, "My Jesus I Love Thee," accompanied on the piano by her husband.

Elder Prout spoke briefly of his appreciation of the support the tent effort had received, both financially and in attendance, and extended a cordial welcome to all newcomers and friends to attend future services at the church.

Those present enjoyed this opportunity of meeting church officers, old and new members and friends, and expressed regret that the lectures could not continue longer.

### M. P. HARRISON AGAIN SELLS HOME

M. P. Harrison has sold the home he bought a few months ago at 505 North Louise to a Mr. Watts, who recently came out from the East and is building a big sorghum factory on the edge of Burbank. Mr. Harrison will move his family at once into John Everson's large residence property at 6th and Grand View Ave. until he can build a new home on an east front lot he lately bought on Maryland avenue between Lexington Drive and California avenue.

### SAMPLE BEACHES

Mr. and Mrs. J. R. Lockwood of 1011 North Louise have been sampling the beaches during the past week, going down in the morning and returning at night on most of their excursions. They had planned to spend a night at Balboa, but found it so crowded they were obliged to go to Santa Ana for accommodations. They also visited Hermosa and Santa Monica. Mrs. Lockwood prefers the southern beaches but Mr. Lockwood votes for Santa Monica. The bathing was not very good anywhere because of the high tides.

### STILL MANY VIOLATIONS OF TRAFFIC ORDINANCE

Just 29 violators of the traffic ordinance were cited to appear before Judge Lowe yesterday, several of them for turning around between crossings. The judge is assessing fines for this offense now, having given warnings and admonitions for the first month after observance of this provision in the congested districts was first determined upon. He says fines for this offense will be increased if violations are persisted in.

### SPEND DAY AT BEACH

A very enjoyable day was spent at Hermosa Beach, Sunday, by a 3-auto party consisting of Dr. C. A. Burrows and family of 228 North Jackson street; C. E. Kimlin and family of 219 North Isabel and Dr. E. W. Alsberg and family of North Isabel. They pitched their tent and cooked their dinner, all appetites being whetted by the salt air and sea bathing. Every one had a delightful time, even the babies taking a swim. A good, long day was thus spent as the party started about 5 o'clock in the morning and returned in the evening.

### FRANCISCO VILLA SURRENDERS

AFTER YEARS OF BANDITRY OUTLAW CHIEF DELIVERS HIMSELF TO MEXICAN FEDERAL OFFICERS

(Special Service to Glendale Evening News)  
SAN PEDRO COAHUILA, Mex., Aug. 9.—(Delayed in transmission.)—Francisco Villa surrendered here today. After years of banditry Villa today delivered himself to Federal officers, then drowned his sorrow in a bottle of cognac. Formal ceremonies will be held later.

Villa today met military representatives of the Federal government five miles from San Pedro. The bandit chieftain dashed up on his horse, waved his hand to Federal officers, then took three or four swigs from a bottle of cognac offered him. He announced with a characteristic smile as the bottle was passed around, "I am ready to embrace my worst enemy."

Later, Villa, who was given a great reception at San Pedro, told a United Press representative: "Mexicans, including myself, are tired of fighting. The time has come for us to settle down and go to work. I am able to show that I can work as well as fight," he said. Turning to General Martinez, he said, with a sweeping bow, "I am a soldier ready to obey orders." General Martinez returned the bow.

### CONSPIRACY IN TEXTILES SUSPECTED

DEPARTMENT OF JUSTICE INVESTIGATING CLOSING OF WOOLEN AND COTTON MILLS

(Special Service to Glendale Evening News)  
WASHINGTON, Aug. 10.—The Department of Justice was today investigating the textile industries to determine whether the closing of the woolen and cotton mills is a conspiracy to continue high prices, the Attorney General's office announced today.

### CONSTABLES MEET ARCHBISHOP

PUBLIC EXCLUDED FROM STATION WHEN AUSTRALIAN PRELATE ARRIVES IN LONDON

(Special Service to Glendale Evening News)  
LONDON, Aug. 10.—Archbishop Mannix of Australia arrived this morning and was met by a crowd composed principally of constables. Several deputations, one from the Gaelic League and another from the Casement Sinn Fein Club, were also on hand. The public has been excluded from the railway station.

### BRITISH WORKMEN OPPOSE WAR

DECLARE THEY WILL PARALYZE INDUSTRY IF WARLIKE ACTION IS TAKEN AGAINST BOLSHEVIKI

(Special Service to Glendale Evening News)  
LONDON, Aug. 10.—"We are still hopeful of peace," Premier Lloyd George told the House of Commons today in starting his address laying before the British Parliament the Polish situation. At the same time British labor today threatens virtual revolution if necessary, to prevent war with Russia.

Frank Bramley, secretary of the Trade Union Congress, said: "We are ready to paralyze the nation's industries within a few hours if warlike action is instituted against the Bolsheviks."

Railway workers today passed resolutions declaring they will refuse to haul food, munitions or supplies destined to aid Poland.

### MOVEMENTS OF BOLSHEVIK FLEET

(Special Service to Glendale Evening News)  
BERLIN, Aug. 10.—The Bolshevik Baltic fleet is making for Danzig, the Polish port, according to unofficial reports received here today.

### HOLLANDS ENTERTAIN SAILOR NEPHEW

Mr. and Mrs. R. L. Holland of Arden avenue entertained for the weekend, James Dorsey, nephew of Mrs. Holland, who is a student at Annapolis naval academy. He and a group of fellow students have been enjoying a cruise on the Battleship New Hampshire which touched at San Pedro last week. He was given a 48-hour leave which he spent with the Hollands, not having seen his aunt for six years. The New Hampshire was to leave Monday for Panama and from there return to Annapolis.

### BIRTHDAY CELEBRATED

The twelfth birthday of Gordon McRae of 634 North Kenwood street was celebrated Saturday afternoon by a trip to Griffith Park and a supper served amid the beautiful natural scenery. Mr. and Mrs. W. D. McRae; Mr. and Mrs. F. W. Pigg of 525 North Jackson; Billie Pigg, James Fife, Jack Alvord and John Franklin helped to celebrate the event. After a delightful time in the open, the party returned at dusk.

### KANSAS-OKLAHOMA REUNION

John Strother and family of 326 East Chestnut, this city, Mr. Pray and family of Park avenue, Jos Fash and family, new comers who have been here about a week, H. E. Noble of North Jackson and his son-in-law Ed Hampton and family, formerly from Alva, Oklahoma, and about one hundred and twenty-five other men, women and children, last Saturday enjoyed a reunion of former residents of Woods county, Oklahoma, and Barber county, Kansas, who are in California as tourists or permanently located here. The pioneers from that locality came about ten years ago, but the greater number of these colonists have migrated within the past year. Glendale has a large group from Alva alone. The picnic was held at Long Beach where many of the picnickers are located. Joe Fash arrived only a week ago, but is so favorably impressed with Glendale that he will probably locate here.

The ladies of the missionary society of the Congregational Church are making plans for a picnic in Brookside Park Thursday.

### ANTI-CIGARETTE

PROF. LOUGH SPEAKS AT METH-ODIST CHURCH SUNDAY EVENING, AUGUST 15

H. J. McMath, of Los Angeles, was in Glendale this forenoon announcing that an Anti-Cigarette and Tobacco meeting would be held in the First M. E. Church Sunday evening, August 15th, at which time Professor Lough will speak. Fathers and mothers who are interested in the protection of the youth of our land will undoubtedly wish to hear this educational and inspirational message.

Mr. McMath informs a representative of the Evening News that Long Beach has formed a No-Tobacco League and is making a drive against the early use of tobacco by boys. Mr. McMath says that statistics show that the average age of boys beginning to use tobacco in the form of cigarettes is between eleven and twelve years, as against the average being about eighteen, fifteen and twenty years ago.

There is nothing hasty nor radical about the agitation made by the Anti-Tobacco League. It is merely a sensible method being pursued to offer greater protection of the youth of our land. The time has come when men who have been using tobacco for years are absolutely disgusted to witness the small boy on the street smoking cigarettes. In fact, it has been the cause of adults ceasing the use of tobacco, thinking that their influence in so doing may tend to make less popular the pernicious habit. It has been stated that Professor Lough is a gentleman who handles the subject in a very common-sense manner, and is not at all unreasonable in his discussions. This gentleman is a man of national reputation, and those who hear him speak on the subject will hear one whose statements are of the best authority obtainable.

### DEATH OF JOHN A. MORRIS

John A. Morris passed away this morning at 2:30, at the Glendale Sanitarium. He was 60 years of age had been a member of the Methodist Church for a number of years. He was a brother of Mrs. C. R. Norton of 801 East Wilson avenue and Mrs. Fred Anderson of Glendora. Mr. Morris came here from Iowa last fall, but had lived in Glendale for six years, at one time. The Jewel City Undertaking Company are in charge.

### LEASES FURNISHED HOME

Wm. Jammas has leased his beautiful home at 514 West Elk avenue, furnished, to D. C. Methven and wife, who came here recently from Kansas City, Mo. Mr. Jammas, who is unmarried, thought it better to have some one in the house constantly, since the recent robbery of his place in broad daylight while he was necessarily absent at his work in a Los Angeles clothing store, so decided to lease the home he had fitted up with rare taste as his bachelor quarters. He expects to build soon on his two vacant lots, one on either side of his present residence property.

### CAMPBELLS RETURN FROM OUTING

Mr. and Mrs. W. A. Campbell of 1420 Lorraine and family have returned from a month's outing at Huntington Beach and are now entertaining Mrs. Campbell's brother, Bert L. Larr, his wife and child, who have just arrived from Decatur, Illinois, to make their home in Southern California. Mr. Larr has a position in Los Angeles and is looking for a residence location. He and his wife like Glendale so much they will probably settle here if they can find what they want.

### HOWLETTS OF MICHIGAN GLENDALE VISITORS

Mr. and Mrs. W. C. Howlett and daughter Helen, of Ypsilanti, Mich., have been spending July and August in Southern California, part of the time with Mr. Howlett's sister, Mrs. C. D. Shattuck, of 114 West Broadway, and part of the time with Los Angeles relatives. On their way to the coast they made stops in Denver, Salt Lake and at other points of interest, and they will return by way of the Grand Canyon. It is their first trip to California and they are enjoying it greatly.

Mrs. Ivan Robinson and two children of 1520 Lorraine street are away on an auto tour which will take in the Yosemite Valley. They are guests of Mrs. Robinson's cousin.

### AUTOS IN COLLISION

H. F. FRYER AND WIFE HAVE NARROW ESCAPE FROM INJURY

An automobile accident which might have been disastrous to life and limb occurred at the crossing of Angeles Mesa and West Adams St., Los Angeles, Sunday afternoon. Mr. and Mrs. H. F. Fryer of 1424 North Pacific avenue, this city, had gone to Redondo to visit their son Wallace whose little boy was quite ill with pneumonia, and started home about four o'clock in the afternoon. Mrs. Fryer was driving and as she approached the crossing, the way seeming clear, she proceeded to cross, being north bound. Suddenly a car bore down upon them going east apparently about 30 miles an hour. Instead of crossing behind the Fryers' machine, the driver, J. O. Houser, of Coyina, tried to pass in front and struck Mr. Fryer's car on the left side near the front end with great force. Mr. Fryer's machine, a new Chevrolet, was turned completely around and hit the curb with considerable force. The curb was very high, which prevented the machine from mounting it. Mr. Houser's car, a Buick, was merely scarred a little on the running board. No one was injured but Mrs. Fryer was considerably jarred by the impact of the cars and nervously upset. Their car was disabled, requiring two new wheels and a fender. The axle was also bent.

### TOWERS SELL AGAIN

Mr. and Mrs. A. W. Tower, who sold the home they had occupied for a number of years on Adams street and bought a lot at 634 North Orange which they improved with a residence garage, have been persuaded to sell again. The buyers are Mr. and Mrs. McConnaugh of Los Angeles, who will take possession about the first of September. Meanwhile the Towers will begin building operations on a lot owned by Mrs. Towers' father on Park avenue, but the Towers do not plan to make it their permanent residence as they are still in love with the more northern part of Glendale. On Sunday they motored to Topanga Canyon as a means of entertaining Mr. Tower's brother and family who are their guests. They found the canyon cool and delightful and spent a very pleasant afternoon there.

### FIRST GRANDSON IN GILLIES FAMILY ARRIVES

A wonderful event occurred at the home of Mr. and Mrs. Eugene H. Gillies of East Wilson avenue, Sunday evening, August 8th, at 9:30, in the arrival of a warmly-welcomed son and grandson, weighing nine pounds six ounces. This is the first grandchild in the family, therefore all are rejoicing over the event. The name bestowed upon the baby is Maurice Eugene Gillies.

### HORSESHOE PITCHING CONTEST QUITE CLOSE

The second of the three contests now being held on the grounds of the Glendale Horseshoe Club for a prize of a pair of horseshoes was held last Saturday and was won by Guy Archer, who scored 130 points in the 10 games pitched. C. E. Higley was second with 121 points and J. D. Porter third with 116. Archer is ahead now in the contest, being just 4 points to the good over Porter. The concluding games will be played next Saturday afternoon.

### BACK FROM NORTH

F. W. J. HENRY AND WIFE VISIT TAHOE, DONNER LAKE, OTHER POINTS

F. J. W. Henry and wife arrived at home Sunday afternoon from a few weeks' auto camping trip. They went up the coast route, stopping at Pacific Grove for two days, then visited Big Basin, Santa Cruz, Lake Tahoe, Donner Lake and many other points of interest. When in the Tahoe region they made their headquarters at Tallac and took many side trips into Nevada and up the mountain streams and canyons, catching plenty of fish. They came back by way of Sacramento, Stockton, San Jose and down the coast, preferring that to the inland route. They found the roads excellent except in a very few places, were able to get what gasoline they needed and had no machine troubles of any kind.
